Opening Comments

Program will be changing classrooms (from lower level to main level).
 Onsite inspection completed with Hannah and Lin.

Compliance Record

Closing Comments

Health inspection satisfactory. The following was noted:

- There is a sink inside the classroom for hand washing and for toy washing.
- There is no food program or food preparation. Children bring their own snacks and there are emergency snacks available.
- Bathrooms are located downstairs.
- Children will have assigned hooks for their personal belongings.

The program will be using the following space: classroom #4, gymnasium, stage in the gym (for storage only, not for children use), and the library (as a backup alternative space).

Inspection Actions Taken:

- No Action Required
